Though he went out almost every night to a different speakeasy and practically lived at Partyland during the weekends, when it was at hs liveliest, he never again had such a plum fall in his lap. He didn't get within sniffing distance of bis heart's desire. Most people he met were temps, and the few Permanent License holders inclined to be friendly to him invariably turned out, like the MacKinnons, to have already disposed of their allotted endorsements. Or so they said. As the weeks went by and anxiety mounted, he began to be of the cynical but widely held opinion that many people simply removed the stickers from their licenses so it would seem they'd been used. According to Jason MacKinnon, a completely selfless endorsement, like his from Ed, was a rare phenomenon. Quid pro quos were the gen-female and allowed to come to term there..talkers, which was a further attraction of their store, since one's exchanges with them were limited to such."I checked the clock," she said..alibis..proteins and be able to duplicate them. Further than that, some of the plants might have been able to.Dramatization is another. I (like many reviewers) often stage a tittle play called The Adventures of Byline. Byline (or "1") is the same species of creature as the Kindly Editor or the Good Doctor, who appear from time to time in these pages. That is, she is a form of shorthand. When Byline rewrites story X, that doesn't mean that I?the real, historical personage?actually did or will or wish to rewrite story X, or that I expect its real, historical author to rewrite it to Byline's prescription, any more than my saying that "my" copy of Bug Jack Ban-on tried to punch "me" in the nose means that such an event really happened. Pauline Kael's Movie Loon is another such fiction; these little creatures we send scurrying about the page are not our real, live selves, and their exploits are dictated more by the exigencies of our form than by a desire for personal glory..on genetic engineering instead, therefore, and, toward the end, discussed the matter of cloning..license yesterday..".What is that stuff?".The cracks opened.
